Zhangui Full Length Mirror Standing Hanging or Leaning Against W

This mirror is beautiful, very thin gold frame, good quality mirror. It has a stand. I'm 5'5 and can see my entire self in it without having to stand too far back.

Zhangui Full Length Mirror Standing Hanging or Leaning Against W

I bought this mirror to put in my room because I needed a full size mirror to put together outfits for work. I really like how durable this mirror is and how the sides are so pretty and elegant. I didn't expect it to be so large and durable.
