- SUITABLE FOR WET AND DRY SHOWER: Batitie double-sided shower brush is used in a dry or wet brushing. When the bristle is dry, it is a good brush for tightening the skin. When used, it becomes soft after being washed by hot water and is suitable for cleaning the body.
- STIFF BRISTLES: Natural bristle brush can massage the skin and deeply clean the cutin and dirt on the skin surface, which can effectively clean the skin and protect the skin.
- SOFT NYLON BRISTLES: Soft hair nylon can protect sensitive skin, provide a variety of hardness options, thoroughly clean the whole body
