PRODUCT DESCRIPTION

This white Duality™ Fuzion™ combination vertical grab bar and shelves brings innovation, style, and elegance to your bathroom. Our Italian partner has brought modern industrial design elegance to the bathroom. Rather than designing utilitarian single use bathroom accessories they have incorporated a holistic view of use functionality into their designs. The Aging in Place movement places emphasis upon universal design concepts that incorporate increased safety for an aging population. In addition to focusing on aging in place Design By Intent products also emphasize bringing contemporary elegance to functional designs. Also available in black and purple/grey.
