- Model: NZ284

DESCRIPTION **REVIEWS**

5 inch (125mm) length tweezers; tapered straight blunt tip

Uses: used for the installation or replacement of electronic parts; processing and maintenance of watches, handicrafts, etc.

It is also an essential tool for selecting aquarium plants and growing succulents. You can also pick up small parts in daily necessities

Advantages: high-quality stainless steel forgings, good elasticity, not easy to deform. The polished surface is resistant to wear, high temperature and corrosion, and is suitable for operation and use under various extreme conditions.
