- JUST ADD WATER - NO DETERGENTS NEEDED – No Detergent, Microfiber Towel cleans with only water, without dangerous ingredients that can harm you - Antibacterial Cleaning Cloth, Removes Over 99% of bacteria - It's Green It's Clean - Works like magic,

Much Better than Norwex, e-cloth or Nano Sponge, You Will Be Amazed

- **BIG MONEY SAVER** – Reduce your need for disposable cleaning sponges, cleaning chemicals, and paper towels using this better microfiber towel, this will save you a lot of money each month
- **DEEP CLEAN LIKE A MAGNET** – Ultra Microfiber Cleaning Cloth can take out, grab and wipe old dust stuck in hard-to-reach places like a magnet, cleans fine dust that cannot be seen with the naked eye, and even dirt stuck in the small crevices of a marble floor - Absorbs water, dust, and dirt up to more than five times its own weight! - USE it DRY to clear crevices, remove hair, and clean fine dust USE it WET to clean stains. For stubborn stains, add detergent for added results.
