## 18 SEP TEXOMA MEDICAL CENTER ANNOUNCES OPENING OF ER AT ANNA

Posted at 14:24h in Chamber News by GACC

ER at Anna, a service of Texoma Medical Center (TMC), celebrated with a ribbon cutting on Thursday, August 27, and will begin seeing patients on Tuesday, September 1. The facility is located at 2710 Hackberry Drive in Anna, TX, and will be open 24 hours a day, seven days a

week to serve patients who experience medical emergencies. ER at Anna offers private exam rooms, laboratory services, and is staffed by board-certified and board-eligible physicians. And because ER at Anna operates under TMC's hospital license, most insurance plans, including Medicare and Medicaid are accepted.

ER at Anna also has an outpatient imaging center that includes open MRI, 3D digital mammography, CT scan, and ultrasound. Same day appointments are available for those services pending insurance precertification. X-ray services will also be available 24/7, without the need for an appointment. TMC CEO Ron Seal said, "We are excited about the opening of the ER at Anna, and look forward to providing the community with convenient access to emergency care. In the event that a patient needs hospitalized care, ER at Anna provides direct admission to Texoma Medical Center, or arranges transfer to a hospital of the patient's choosing. This facility is an entry point into the TMC healthcare system, and provides patients with access to over 450 world-class providers and specialists."
