**DESCRIPTION**   **REVIEWS**

Because this product is rechargeable, it can be used continuously for a long time, and the rechargeable battery has a large capacity. No matter where you are, it performs well under any circumstances. You can charge the charging port by connecting to the USB charging port or plugging in the USB port.

Small size, light weight, easy to carry, comfortable to hold, and can provide better control when drilling.

Very suitable for drilling holes in wood, plastic, paper, acrylic, etc.
