- DRY OFF IN LUXURY 4-Piece super soft and absorbent Turkish cotton bath towels. (27 x 54 inches) These absorbent, eco-friendly bath towels are created to provide years of enjoyment
- LIGHTWEIGHT LASTING PRIME QUALITY - 100% soft cotton ring for softness. The hotel quality towel is lightweight and durable, quick dry and 100% cotton is resistant to wear while remaining soft. Luxurious white classic bath towels provide a luxurious bathroom design to enhance your bathing design. Soft, absorbent, double-stitched edges on all edges for extended life
- EASY TO CARE - Machine washable, easy to care and clean. These towels are specially processed to make the dryer take less time, thus saving time and energy costs. They flow completely out of the dryer, soft and fluffy for the next time
- Avoid contact with skincare products to help minimize towel spotting or bleaching. Some lint may be observed in the first few launderings of towels, and will diminish with each subsequent laundering. This does not affect the look, feel or performance of your towels. Please follow the recommended care instructions on the label and keep the lint trap clean on your dryer.

- **BETTER WATER ABSORPTION** - Terry towel material allows for maximum absorbency. Perfect for poolside, bathroom, Beach, salon, college dorm room essentials, spa, wedding registry or gym use. The towel set is designed to provide users with all their basic bathroom drying needs to wrap around your hair or to dry your body.
