DESCRIPTION:

The new cloud lip glaze has a silky texture and a moist mousse just on the upper lip. After the film is formed, it becomes a matte feeling of temperament. The key is not to pull out, the color is white and the temperament, showing the first choice

FEATURES:

1. Velvet texture, delicate and elegant
2. Natural ingredients, no damage to the skin
3. Pure color, lasting color development

COLOUR:

1. Rust red (the same rust red of Hyuna, looks good in retro white, and has good saturation durability)

Tomato brown color (a color with a heavier orange tone, thin coating is orange red, thick coating with brown tone is very white, white skin is very suitable, yellow skin sister needs to be careful)

2. Rotten tomato color (thin coating with a little orange, thick coating with a bit of jujube red, a bit orange under the light, in fact, it is still red, very suitable for white skin sisters to apply at work)

YiliaFine matte lip glaze, velvet lipstick, rotten tomato, rust red, the perfect gift for girls
