The best tangled comb: Unlike ordinary hair combs, our carefully crafted tangled comb will not tear or pull out knotted hair. It slides through the hair, easily untangling the hardest tangles.

Super soft bristles: Super soft bristles can easily slip through tangles and knots. The firm bristles gently massage the scalp while stimulating blood flow and strengthening the hair

Healthy and painless way of brushing: Our brushes are exquisitely designed to minimize pain and protect hair from split ends and breaks. It allows you to brush with less force, thereby reducing the damage to the hair from tangles
