★★★★☆ Cute on my phone but disappointing when received

I purchased this as a gift for a 2 1/2 year old and I returned it. The size was too small and consequently, all the pieces were too small and thin.

These are terrible puzzles. They don't "snap" together and they came slightly warped.

The product was bought for my classroom and was much smaller than I anticipated. The student still use and play with them and they've held up very well.

Very fun and challenging for a two year old . Not overly difficult but just enough. The picture cards help out a lot, Playing together can exercise practical skills and improve logic skills.
