**Product Overview:**

- Product Name: Oldvea Plug-in LED Motion Sensor Night Light, Mini Warm White LED Nightlight with Dusk to Dawn Motion Sensor
- Price: 72
- Size: MousePad Foam Backed
- Shipping Options:  Ship to me,  Ship to Store
- Buttons: Buy, Add to Wishlist

**Product Description:**

Oldvea can save up to 84% energy compared to those without motion sensors. Comfortable and Adjustable Lighting. You may feel relaxed and comfortable when you see its warm lighting in the darkness. With the two brightness modes design, you can also choose your desired brightness from the High or Medium for different occasions by simply pressing the round button at the top to give you the best experience.

3 Useful Modes. A simple switch at the top of the plug-in nightlight allows you to choose among three lighting modes (ON, OFF and AUTO). If the Auto Mode is chosen, its motion sensor will be activated to provide you a detection angle of 120 degrees and a range of 3-5 meters.
