The Latest from Lettie Teague's On Wine

Lettie's latest column just went to print in the Wall Street Journal. We have everything you need to begin (or continue) your *On Wine* journey, including a curated collection of her featured wine picks to support your love of all things Lettie.

Wine Spectator

"One of America's best new wine destinations"

FOOD&WINE

"Packs a potent selection of wines"

WINE ENTHUSIAST

"Nominated wine & spirits retailer of the year"

Wines & Spirits for the Curious Drinker

Flatiron Wines is for the curious. For adventurers and explorers. For anyone who loves wine or small batch spirits, and wants to learn and taste more.

Come by and visit our shops in New York or San Francisco, if you happen to be in town. Or just do your wine exploring on-line. We have the largest selection of artisanal wines anywhere, with thousands of every-day values, rare and hard-to-find gems, natural and organic wines, and small batch spirits. And we'll deliver them to your home.
