- **🛡️ Carefully Designed Rubber Ring & Broad Base 🛡️** - With rubber ring will your floor be protected, without wear and tear. Besides, with rubber ring your baby can control its walking speed easily. Broad wooden base with 4 wheels makes this walker more capable of helping baby keep balance, thus they gain more confidence while learning. Usually, it can be well used as a baby activity walker, baby outdoor&indoor walker for girl👧&boy👦. But please keep your baby stay away from steps and pool.
- **🛡️ Easy Maneuver & Adjustable Weight 🛡️** - A standing baby walker is a better choice to help babies practice standing on their own compared to a seated walker. Wheels are **EASY TO MANEUVER** by baby even on carpet, no worry about sudden fall due to block of the wheel. Since it's a toy chest🗄️, you can put something like books📖 or toys into it to adjust the weight for baby according to their development and needs. This is a suitable push/pull wagon, a must-have wooden learning walker for infant/child.
- **🛡️ Study & Easy DIY Assembly 🛡️** - The sturdy hardwood baby walker is very easy to assemble with just a screwdriver🔪 and the crystal-clear illustrated instructions. Wouldn't be sweet when baby sees you mount pieces of wood and turn them into a cute walker? The natural, bright-colored look coordinates well with any room. Simple Design & Classical Nature Color makes it a nice gift for toddlers above 12 Months. Your kids will be extremely surprised to have it as a birthday gift or Christmas gift.
