Description

Reviews (0)

- This nail uv light can fast curing with all nail gel brand, e.g.Base Coat, Top Coat, Color Gel, Hard Gels, Builder, acrylic, sculpture gel, gem glue etc. (not for regular nail polish)No bottom plate, cures 5 fingernails or toenails at the same time.
- An easy to use nail lamp for DIY Nail Enthusiasts and you can enjoy DIY nails at home instead of going to the salon. The uv gel nail lamp also a perfect gift for you, friends, lover and your family!
- curing lamp generate daylight closer to white light, has no harm to eyes and skin. Lightweight, compact design and easy to clean for user.
