Features:

- **UNIQUE FUNCTION:** Different from other materials, the fabric we used will not absorb water for about 3 seconds. You can use the time gap to wipe the accidental spill, which saved your time on washing and exchanging.
- **FINE MATERIAL:** 85% polyester and 15% spandex. Soft, breathable, and durable, meanwhile remains the high stretch-ability. The jacquard fabric is anti-wrinkle, so the cushion cover will stay in shape no matter how you sit or wash it.
- **FULL PROTECTION:** With the elastic band all around the edge, the cushion cover will always in place. There is no need to adjust after somebody sit on the cushion. Protect your furniture from stains, daily wear, scratch, and other accidental.
- **MATCH IT ALL:** The cushion cover not only covers the damage of your old furniture but also give your home a brand new look.

I bought these because my cats suddenly felt the urge to scratch the actual cushions after I covered the edges lol. These are great, my cats do not scratch and they have a simple pattern so they match my place easy. My cushions have deep pockets so it's a tight fit but it still looks awesome. I think it's kinda pricey but worth it.

We measured the length, width and depth of the cushions before purchasing and they fit PERFECTLY!! My husband was super impressed and also very thankful we didn't have to shell out 100s of dollars on a new couch. Ha!
