★★★★★ They're wonderful!!!

Reviewed in the United States on April 19, 2016

Color: Light Brown Gradient | **Verified Purchase**

Was a nervous shot purchasing these, well shades period because I end up never wearing them due to them giving me headache, or leaving a print in my makeup on the bridge of my nose. But these are great! No headaches, no prints, and they fit my face really nicely. I think I will order another pair

★★★★★ You get what you pay for!

The lenses on these got so scratched up just wearing them. I don't use the case every time I take them off, but realistically, I should be able to put these on top of my head or on a table without them getting so beat up. I didn't expect them to be the same quality as my high end sunglasses, but I bought another cheap pair along with these and the other pair still looks great (and they were actually \$5 cheaper!). I've had these sunglasses a month but you would think I've had these for years and then ran over them with a car. And then let my dog play fetch with them.

Like I said, I'm realistic and not expecting a lot, but these aren't even worth \$2. I wondered if they're disposable sunglasses, and if so, the price should be a lot lower. That or you have to be aware of how fragile these are. Wipe them down with the provided cleaning cloth and put these away every single time. I don't even treat my \$450 Tiffany sunglasses like that, but if you're the type that can do that every time, then you might not hate these sunglasses.

★★★★★ **Ultimate inexpensive mirrored lenses 8)**

Reviewed in the United States on March 10, 2016

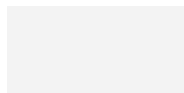

Color: Revo Red Mirrored | [Verified Purchase](#)

These are TRUE mirror glasses, I am so in love!

Pros:

- Sturdy frame
- Sturdy lenses
- Clear lenses
- Nice oversized shape but not obnoxiously large
- Nice silver edges
- Cute decorative sides
- Protective case!!! (Very huge bonus in my opinion)
- Pretty opaque
- 100% UV400 rated protection against harmful UVA and UVB rays
- Adjustable nose pads
- No awkward tilt- A lot of aviator type sunglasses that I have owned tend to lean to one side...

★★★★★ **Blue or yellow... Choose blue for quality.**

Reviewed in the United States on December 27, 2019

Color: Revo Blue Mirrored | [Verified Purchase](#)

I liked the blue ones a lot... So I ordered the yellow... Expected the same but yellow... Not so good... They did not have spring hinges and when you wear them you also get a dizzying effect... Poorly offered as same.

Sadly... But the blue ones yes those are wonderful! Better quality for price etc...

★★★★☆ **Good glasses, great deal!**

Reviewed in the United States on June 1, 2016

Color: Revo Blue Mirrored | [Verified Purchase](#)

I really like these. They get 4 stars instead of 5 because they arrived with several scratches on the inside of the lens. Not a huge deal especially given the price so I kept without complaint. I like their tint and coverage. Blue mirror is a great color that doesn't seem to smudge easily. Sides have cutaways of blue/silver which is a nice detail. A good deal all around when I was looking for an inexpensive pair of aviators. Nice they came with a case which is very sturdy but a little big to fit in my smaller bags, still a nice bonus. :)

★★★★★ **Would definitely recommend!!**

Reviewed in the United States on May 5, 2016

Color: Light Brown Gradient | [Verified Purchase](#)

I ALWAYS lose my sunglasses and to make matters worse I never have anywhere to put them to prevent them from breaking in my purse. Not only are these cute but they have a nice heavy duty case that prevents them from being broken if in your purse or in the car. I plan on purchasing a black pair in a few weeks.

★★★★☆ **Not happy!!! But the company sent a new pair**

Reviewed in the United States on August 28, 2017

Color: Revo Red Mirrored | [Verified Purchase](#)

I was super excited to get these, I love the color  
Having said that, both lenses had scratches and the frame is crooked  
Not worth the trouble of sending them back.  
Not happy at all!!!

Update

Received replacement pair. They are much better no scratches and the frame is not bent. Thank you

★★★★★ **Pleasantly Surprised...**

Reviewed in the United States on May 3, 2017

Color: Grey Gradient | **Verified Purchase**

I have ordered aviators on amazon before and have always been epically disappointed so I expected the same from these aviators as well. But I was wrong. These are AWESOME and I am a sunglass snob! I don't buy expensive name brands necessarily but I am very selective about what I choose, the shape, the color the fit. These are very sturdy and just the perfect size I love them! I got the silver w grey gradient and am thinking about coming back for the blue! I would highly recommend these glasses!

The product came with a zipper case and packaged well. Unfortunately the width is too small and did not fit well. Will be returning the item.

Love them, I did drop them and they did scratch but they are a perfect fit and look awesome, I am going to buy another pair for sure... if they didn't scratch it would be 5 stars for sure.
