- **KEEPS KNEES SAFE & COMFY:** Our gel construction knee pads are designed to provide your knees with the extra protection they need to keep them safe. Using a heavy-duty thick poly shield, our work knee pads protect your knees from cuts and scrapes so that you can work comfortably for longer!

- **HEAVY DUTY CONSTRUCTION:** By using Heavy-weight nylon thread, we bring you foam soft EVA knee pads that can withstand years of use while being breathable enough to prevent sweat build-up to keep your knees cool and dry for optimal performance.
- **FOR ALL YOUR NEEDS:** Thanks to the soft gel core and durable EVA foam padding you can use our professional construction knee pads for countless hours making these pads ideal for indoor and outdoor work like Wood Flooring, Gardening, Carpentry, Welding, Roofing, Tiling, Cleaning and so much more!
- **STAYS IN PLACE:** Our heavy duty knee pads with soft EVA foam padding uses double straps that safely keep it in one place without loosening or slipping along. We use adjustable clips that easily let you put them on and take them off while allowing you to adjust the height and tightness of the pads.
- **THOUGHTFUL GIFT IDEA:** If you're looking for a present that's both practical and actually useful then our adjustable knee pads for gardening and construction have you covered. These make a unique and thoughtful gift for both men and women that will help make working on the floor at home or on the job easier and comfier.
