BUY IT NOW

- 1080p Full HD Camera & Night Vision: livestream video to monitor your pet on your phone with a 160-degree wide-angle view, day & night.
- 2-Way Audio & BARKING ALERT: Furbo's BARKING SENSOR detects when your dog is barking. It sends push notifications to your smartphone when it detects barking. Know what's going on at home and talk to calm them down via the app.
- Fun TREAT TOSSING: TOSS a treat to your dogs via the free Furbo iOS/Android app. Fill it with your dogs' favorite treats & play a game of catch.

- Easy 3-Step Setup: 1) plug in to a power outlet using its USB cord 2) download the Furbo app 3) connect to your home wifi.
- Stable internet connection & Wifi signal are recommended for best performance.
- Included Components: Charger
