Organic Geranium-Eucalyptus Hand Sanitizer Spray

Quantity

[Add to cart](#)

*Due to an increase in demand and a limited supply of our hand sanitizer, the maximum quantity available for purchase is 12 units of hand sanitizer spray. Orders with more than 12 units will be refunded. Current lead times are 7-10 days from the time of purchase.*

Bee Well hand sanitizer is an organic, locally made, geranium-eucalyptus hand sanitizer spray. It is our goal to create a quality hand sanitizer sourced from U.S. manufactures and dedicate our profits to long-term mutual aid for communities in northern Arizona most affected by the current health crisis.

### Description

#### Description

Made in Flagstaff Arizona, Bee Well hand sanitizer is a geranium-eucalyptus sanitizer spray made with organic essential oils, organic vegetable glycerin, and non-toxic isopropyl alcohol. Our hygienic sanitizer is great for use on hands, surfaces, and in public spaces where water is limited. We believe we can only truly grow if we contribute to the health and safety of all, Bee Well is committed to dedicating profits to local mutual aid groups and communities impacted by the current health crisis.
