- Adopting far infrared heat technology, radiation free and low noise, warming hair from the inside and cuting down the drying time.
- The ionic function smoothes the stratum corneum and locks in moisture, and thus help removing static and reducing frizz, making the hair smooth and healthier.
- Folding Handle and Lightweight design with hanging loop, easy carrying and storage for travel and household.
- 1875 watts long-lasting DC hair dryersblows strong airflow to fast dry your hair in minutes, save your time.
- You'll love the ergonomically-placed controls, lightweight construction, and non-slip handle.
 We've also fitted our ionic hairdryer with a long and flexible 8-foot cable. This means easy access to any outlet and extra-comfortable maneuverability.
