**Pharmaceutical Chemicals - Ingredients You Can Trust**

Spectrum manufactures & distributes a complete inventory of pharmaceutical chemicals, including USP grade chemical excipients, HPLC solvents, research grade active ingredients, buffer solutions, and more. We deliver chemicals with a wide variety of roles as well as the right properties and consistency to meet your unique performance criteria.

**Analytical Laboratory Chemicals - ACS Grade Reagents**

Spectrum Chemical carries a full line of analytical-grade laboratory chemicals for reliable, precise results, in analysis, research and development, bench-scale chemistry or process scale-up. Whether you're looking for solvents, ACS grade chemical reagents, analytical reference standards or chromatography supplies, Spectrum has it. Spectrum also provides the equipment and consumables you need. From the injection phase all the way through detection, you will find it at Spectrum

**Food Grade Chemicals - Includes Kosher and Halal Chemicals**

Explore a full line of enhanced-quality food grade chemicals that meet or exceed quality and safety standards at Spectrum Chemical. Besides Kosher and Halal certified ingredients, heart healthy ingredients, and FCC graded products & chemicals, you'll also find a complete inventory of high quality food grade lab equipment specifically targeting the food & beverage industries.

**Personal Care Chemicals - Lab Fine Chemicals**

Spectrum supplies a wide variety of personal care chemicals, cosmetic chemicals, and active cosmetic ingredients for the personal care industry, including functional ingredients like cleansers & conditioners, aesthetic modifiers, and active ingredients. With over 60 application categories, Spectrum carries ingredients for all market segments including skin & hair care, color cosmetics, sun care, oral care, fragrance products, and more.
