

REFRESH PAINTING

Painters must go through
certification and testing
before they are approved to
any property. We focus on
our clients with nothing but
ensure timing and quality
are always being met. From
touch up, to a full color change
or damage, we have your back!

REFINISHING SERVICES

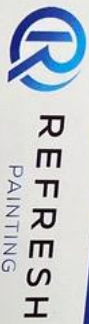

REFRESH REFINISHING

All of our refinishing technicians are certified in the latest industry practices. Refresh offers its own line of refinishing products that are revolutionizing the industry. Our products last longer and look better than anything else on the market. We stand by our service so strongly, that we offer a full five year warranty on our coatings!

REFINISHING SERVICES

- BATHTUBS
- SHOWERS
- WALL TILE
- COUNTERTOPS

All Refresh Painters must go through our rigorous certification and testing process before they are approved to work on any property. We focus on providing our clients with nothing but the best to ensure timing and quality expectations are always being met. From a simple touch up, to a full color change with wall damage, we have your back!
