High Quality Product

I ordered this product. Very satisfactory. Very good quality. Heavy duty all-metal construction. Take it easy. A strong flame. Filling is easy. Easy to adjust flame. Windows is a little small, but overall it's a great product. It's in a nice box, and I'm going to buy another one as a gift for my friend. You're GONNA love it

The lighter worked great for a couple of weeks--then it stopped

Reviewed in the United States on September 25, 2020

I bought this lighter based on the reviews. The torch was great and the other features, such as the window to view fuel level and the cigar poker. However, the lighter stopped producing a flame after only a few weeks of usage. I have emptied the fuel and refilled

multiple times with the same result. The torch flashes for a second and then turns-off. I also checked the flame control but with the same result. Needless to say, you can't light a cigar. Very unfortunate and completely dissatisfied with this product.

I love this! Consistent flame with every click, great draw tool and big enough to hold any size cigar. Get a lot of compliments on it.

**Great cigar all-in-one tool**

I don't typically write reviews but this lighter/multi-tool made me a believer. I love that this is an all in one tool. It is a punch and stabber. I love the cigar holder too. Nice touch. I am buying this for my cigar buddies. Well done, great product.
