### Oqiseven Ladies Leather Gardening Gloves

These are heavy leather gloves that come nearly to my elbow. I wanted long gloves because earlier in the spring I got a bad thorn stuck in my arm. These are wonderful. They were stiff with the first wearing but have softened up and very comfortable. Love the color.

### Oqiseven Ladies Leather Gardening Gloves

i am transplanting a cactus garden and these have been great so far.. i'll still get those tiny pinchers stuck to the gloves but not ripping through. i large cactus needle will go through them but if your careful these will do the job better then the others i have bought and returned
