About this item

- **12 VIBRANT COLORS:** This set comes with a fantastic choice of 12 paint pens offering a vibrant standard range of colors. These include black, white, blue, red, yellow, purple, fluorescent orange, taffy pink, mint green, coffee brown, gold and silver. These lovely colors flow smoothly, evenly and provide fantastic coverage.
- **PERFECT ACRYLIC PAINTS:** Gain-Art Acrylic Paint Pens can be used anywhere you would use acrylic paint. Don't miss these markers if you are a person who loves painting on pebbles or rocks, DIY shoes or canvas bags, cups, or mobile phone cases. They also can be used to decorate car windows, house windows, or smooth boards.
- **WATERPROOF & LONG-LASTING:** These acrylic, water-based paint markers are non-toxic and low-odor. These markers will definitely surprise you because the color lasts so long and so well. The markers are waterproof, so the color will not fade or disappear when you wipe or wash the surface. However, when you use the markers on glass or ceramics, you can easily clean the marker off using a wet-wipe or damp cloth. Satisfy your need to embellish your world!
- **CONVENIENT REVERSIBLE NIB:** The tip of each pen is reversible (chisel tip & bullet tip). You can change the direction of the tip to achieve a different writing line depending on your needs. Use the chisel nib to outline graphics and then change to the bullet nib when filling in colors.
- **MORE ADVANTAGES THAN YOU CAN IMAGINE:** Our acrylic Paint Pens don't waste any paint; it's just like squeezing paint from a tube onto a palette: clean, easy, and economical. A lot less messy than conventional acrylics, these make a great gift for budding young artists or friends who love DIY crafting. These make a very good present not only for the kids but also for the whole family. These markers can help to stimulate kids' creativity and imagination

★★★★★ **Great selection of colours.**

Arrived really quickly and were better than expected. Great colours and the tips are sharp and easy to use. As with all pens like this you need to spend a few minutes shaking them to start the flow of paint but once done they work really well on all surfaces including glass.

My grandchildren love these and so do I. They're decorating their Christmas cards with them. Lovely colours (although the red could be a bit more red) but clean, easy to use & precise.

★★★★★ Nice item

Good value, easy to use, good amount of mixed colours. Wasn't up to job I for what I need (paint on clear glass over door) but that's my fault. Good product for many other hobbies though.

★★★★★ Acrylic pens

These are part a Christmas gift for my niece, and therefore I'm unable to say whether they are good value for money for what they are and what they do but they certainly look as if they will do the job I ordered them for. I am hopeful that they will be fit for purpose when she opens her gift!
