### Description

Characterized by premium features and sophisticated design, the Shift Series is a gaming chair or office chair built for medium to large connoisseurs that demand only the best. Constructed with a high-strength tubular steel frame and forged aluminum base, the Shift series can handle up to 265 pounds.

The extra thick seat allows for all day comfort at home or the office. Wrap yourself in the opulence and luxury of our high-density cold-cured foam covered with soft PU leather. Benefit from maximum adjustability and ultimate ergonomics with 4D Armrests and a backrest with 85 -135 degrees of adjustment. The contoured design, oversized lumbar support and ergonomic neck pillow will place your spine in the ideal
