DESCRIPTION **REVIEWS**

Durable, safe and easy to maintain-cleaning and maintaining indoor and outdoor carpets has never been easier. Shake the mat, sweep the carpet or hose, and dry the entrance mat. It's that simple.

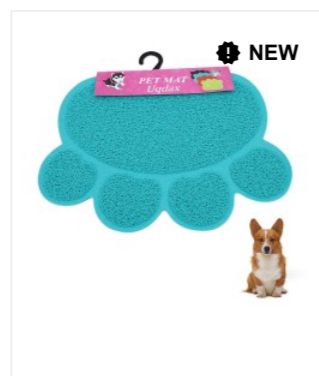

It can prevent moisture from leaking while keeping the mat in place.

It is very suitable for indoor, outdoor, kitchen, side, front door, entrance, corridor, terrace, garage, laundry room, bathroom or any place with heavy traffic. The ribbed material helps to wipe away dust and debris from the shoes, and is ideal for keeping the floor clean.

Satisfaction guaranteed-backed by our 10-year no-problem requirement policy.
