HOLD THE LINE IS A POLITICAL ACTIVIST MOVEMENT THAT EXISTS TO

Moses led God's people to freedom. Nehemiah rebuilt the ancient walls of Jerusalem. Shadrach, Meshach, and Abednego refused to bow down and it changed the course of a nation.

God uses His people to do His work.

Our world is spinning fast, but God's eternal purposes never get old. Our mandate is to stand firm and hold the line.

We want to engage with the church and with millennials to give them courage to stand up and speak truth to our government leaders. And we want to increase faith in God's power to once again change a nation.

The church, our leaders, and millennials need clarity, context, and facts to boldly approach the great issues of our day. We want to help provide that through interviews and engagement with elected officials, events, conferences and lots of fun Q&A times.
