- [3 deep cleaning modes] CLEANJOY dental flosser has a normal, soft, and pulse mode, which can meet various oral care needs, powerfully clean the gap between teeth, gums or caries and tartar, rinse off tartar, plaque and bad breath, Gently massage the gums to improve oral health.
- [Dental floss cleaner with spare detachable water tank] Suitable for families and going out in a variety of situations, the large water tank (8.0oz) supports 60s + dental floss cleaning time, suitable for families and beginners. The small water tank (4.6 ounces) is suitable for skilled people to use, which reduces the time for flossing and eliminates the trouble of draining the remaining water.
- [Upgraded anti-damage water pick] Soft tip, suitable for sensitive teeth, gingivitis, orthodontics. The soft nib and compact water tank configuration are also suitable for children over 6 years old to clean their teeth. The tip of the 360° rotating flosser can easily reach all areas of the mouth.
- [Anti-slip design, long standby time] Light weight and easy to control; 1700mAh battery can run for 12-20 days, and can be charged by USB through mobile phone/car charger, mobile power supply/computer, etc.
- [IPX7 waterproof and convenient cleaning] The reliability of the IPX7 waterproof design is improved, and the portable water floss can be safely used in the bathroom and shower.

Product description

White color

Studies have shown that regular use of dental floss cleaner can help remove food residues stuck between teeth and prevent oral inflammation and tooth decay. Our CLEANJOY water dental floss has excellent performance and stable quality. It uses the advantages of water pressure to flush residual food particles without harming your teeth and gums. You can use this method to clean your mouth thoroughly, improve oral health and enjoy fresh oral cleaning.

prompt:

Water floss can be directly rinsed with water, but considering the service life, please do not soak

Place it in water for a long time and keep it dry after each cleaning.

Please select soft mode for the first time.

If the water flow is significantly weakened during use, please charge it in time (according to the frequency of use twice a day,

The charging cycle is about 13 days).

You can fill it with mouthwash, but if you do not use the flosser for a few days, please wash it off with water.

Mouthwash remaining in the pump to avoid corroding the pump and causing pressure loss or water leakage.
