- Reinforced Large Sun Visor: Sun visor on bicycle helmet is essential to all-mountain biking lovers, this reinforced large sun visor is designed to match this biking helmet perfectly for you. If you find the visor missing when you receive the package, please contact us, we will send a new visor to you for free.
- Adjustment System - The dial knob on the back is very easy to adjust, you can adjust the bicycle helmet to fit your head perfectly even with single hand. This helmet fits head circumferences 22.05-24.01 inches, please measure your head circumference correctly before purchasing.
- Lightweight & Optimal Ventilation - The MTB helmet is only 320g(0.71lb), super lightweight, helps to reduce your fatigue to the utmost, you can hardly feel the weight. There are 18 large vents on the cycling helmet for cool air flow, they can provide the best ventilation while riding, you will feel cool even in summer.
- Protection - This mountain bike helmet is US CPSC standards certified. The thickened high-density EPS foam inside the helmet helps to absorb impact effectively, minimize the risk of injury to head in crash. The extended rear shape guarantees full protection to back part of head.
- High Quality Service: If you are not satisfied with our product for any reason at any time, please contact us in time and we will do our best to help you.
