- This silicone case transforms your smartphone into an optimal companion in all situations of daily life --- the rings can be used as a finger holder, which ensures easy and secure grip of your smartphone
- The plate in the middle of the case is compatible with all magnetic car mounts and allows you to easily place your phone in your car without the difficult hassle of installing it
- The ring holder is rotatable by 360°, which means you can use the case as a stand when watching videos or reading books --- relax your arms and focus on the important things
- The case frame slightly protrudes above the display while not resting on the surface --- this keeps your display clean and scratch-free
- COMPATIBILITY | The case is compatible with the iPhone XS Max. The scope of delivery only includes the case. Smartphone and other accessories are not included.
