## Buyer Protection

- Full Refund if you don't receive your order
- Full or Partial Refund , if the item is not as described

- Superior clean: Do you think traditional toothbrushes are not effective? Compared with traditional toothbrushes, the ability to remove tartar between the gum line and teeth can be up to 10x greater.
- Special material: The brush head is made of TPU, which is resistant to oil, easy to dry, harmless to the human body, and does not contain BPA.Harmless to human body.
- Design: This silicone toothbrush has only about 100 bristles, This design and material prevent any damage from being done to the enamel of your teeth when removing plaque.
- Individual packaging: Each toothbrush head is individually packaged, which ensures that the toothbrush is well protected from transport and can be easily redistributed.
- Quality Assurance: Includes 4 x silicone toothbrush. If you're not happy with any of our products, we'll make it right and process refund for you.
