Dummy Small

Reviewed in the United States on November 23, 2020

Color: B-f Size: Large **Verified Purchase**

Way too small, almost shocking considering the size I ordered. Some of the reviews said to order a size up, which I did, so I'm thinking I got a dud. So just know that you're takin a chance orderin these hoes. Also the fabric was cheap asf.

Reviewed in the United States on November 9, 2020

Bought for my daughter, who wears size 2 usually in jeans. Bought her a medium because she wanted the legs baggy. When the Medium arrived the waist fit but legs were very tight. Have to pay to return to China...

Terrible sizing & Quality

Reviewed in the United States on January 26, 2021

ORDERED TWICE! I wear a size 4/6 normally. Ordered the medium and the legs were SO tight. Returned and ordered a large, and they are huge and also a different material.

WAY TOO SMALL

Reviewed in the United States on January 21, 2021

Color: Fd-khaki Size: X-Large **Verified Purchase**

I purchased an XL so they would be baggy (5'3" and typically wear US size 10) and they were WAY too small. Fit my friend (size 6) comfortably.

Great service

Reviewed in the United States on November 3, 2020

My pants were too small so I had to return but they were so nice about it compared to other third party sellers on amazon. I would HIGHLY suggest buying from them just size up :)
