## Jawn

SKU: KS-NJH

Dear Jawn: I love you! Yes indeed this Nicaraguan premium handmade beauty hails from arguably the finest factory in Nicaragua - anywhere in fact - and it is one of those all-day values cigar hounds like you and me cannot get enough of.

Jawn Habano cigars are full-on firsts....all long-filler handmades sporting an Ecuadorian Habano wrapper atop well-aged Nicaraguan ligero leaves which deliver a medium to full-bodied yet remarkably balanced character. Toasty, hearty, with hints of cedar, nuts and baked bread and a very rich, long finish. You gotta try these Jawns.
