weight

0.00 g

volume weight

0.00 g

Packing list: An oven glove measuring 19.05 cm x 33.02 cm.

Easy to care and maintain: machine wash in warm water with clothing of similar color, do not bleach, and iron at medium temperature if necessary.

* Pure cotton-Unlike other oven gloves, we only use the highest quality cotton to ensure that only the best gloves can be produced on your hands.

Unique design: nothing represents a cute pattern

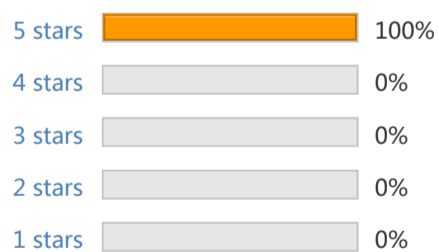

Warning: Keep away from naked fire. To protect your hands, use caution when handling hot food. If it feels too hot, please touch it carefully and evaluate the heat before handling.

BAKING GLOVES

I already have a pot holder and gloves designed by this company. The quality is really great and I use them every day when I cook. I decided to try the little bird as a kitchen towel because I like the appearance of all the beautiful little birds. I was very satisfied with the towels, so I ordered another set of towels. When I saw the same bird design on the pot holder and glove cover, I couldn't help but get it. I can't even describe how much I love this set! ! The quality is extraordinary and the gloves fit perfectly. I use a heavy wok every day when I cook. The very heavy glass lid is really hot. The combination of pot holder and gloves make it very easy to take out the hot pot lid from the pot easily and safely. I also enjoy watching these cute birds while enjoying it!

BAKING GLOVES

They are gifts, maybe my favorite and most useful gifts! The fit is excellent, they slip off your wrist, and the fingers will not be too wide or too narrow. I absolutely love this pattern and will not be damaged by any food stains because of the silicone.
