### Ahrysaor Men s Convertible Pants, Quick Dry Hiking Zip-Off Pants

I like the feel, I did not like the thigh pockets - they need more give. I could not put anything bigger than a wallet in them. Also, I had trouble with the left zippered pocket, jammed sometimes.

### Ahrysaor Men s Convertible Pants, Quick Dry Hiking Zip-Off Pants

Used for hiking - so far in 22 degrees, driving snow and a deluge of rain. Can't speak highly enough of these pants. Very comfortable and quick drying. Lots of useful pockets. An absolute bargain - at least 50% less expensive than the big outdoor brands and, in my opinion, just as good. I will purchase again.
