- DIY Fridge Magnets- Turn your white board or fridge into an indoor garden with this lovely mix of sushi fridge magnets.
- What You Get- You will receive 7 magnets total, each of 7 different sushi in coordinating colors. The sushi fridge magnets have a neodymium disc magnet adhered to the back.
- Warm Tips- Though these magnets are strong, not all magnetic surfaces are created equal. You can find you have a better hold on metal filing cabinets and magnetic chalkboards vs white boards or refrigerators. Also, many of the new refrigerators with decorator finish fronts are not magnetic- though the sides of the refrigerators still are. If your magnets aren't sticking to the front of the fridge, try the side.
- Funny Decor Home- These upgraded refrigerator magnet make wonderful housewarming gifts, hostess gifts or holiday stocking stuffer.
- Please note- The 7 pack foodie sushi fridge magnets set are not intended for use by small children and should be kept well out of their reach.
