Description

ONLY FOR HOME USE: Adapter is included. With this electric lunch box warmer, you can heat your food during work. Suitable for office worker who has to work for a long time. (No for Car USE)

Superior materials: Janolia electric lunch heater and dish plate is made of food grade pp, and the bowl is made by stainless steel, which is durable, environmentally friendly and non-toxic, so it is good to health and you could use with confidence. Packaging upgrade: we changed the packaging on January 17st.

Capacity & Power : It is high temperature resistance and also very durable. Stainless steel bowl plus capacity: 0.6L/, Dish plate capacity: 0.45L.

Complete set: In this electric food heater, it includes one stainless steel bowl and dish plate, and they are removable, so it is convenient for your to clean. Besides, a manual is contained for your convenience to use.

Using suggestion:When the product is working, please do not touch the steam outlet to prevent burns; do not use corrosive detergents to clean the product, otherwise, it will hurt the surface of the stainless steel bowl.
