Description

✓ **【Powerful and Full-Featured Kid-Safe Tablet】** Our kid-friendly tablet has the latest Android 8.1 Go OS, faster 1.5GHz Quad-Core Processor, 16GB storage, a 7" shatter-safe HD touch screen with a tough bumper, Bluetooth, dual web camera for video chatting, and it weights less than 1 lb. Supporting 189 languages, including Spanish.

✓ **【Pre-Loaded Learning Games and Educational Apps】** Our kids learning tablet comes with top rated chart-topping and educator approved academic and entertaining apps preloaded and require to go through one click install process. Full access to Google Services and allow to download thousands of free Apps on the Google Certified Play Store.

✓ **【Parental Control and Age-appropriate】** With the "Kid's Place" feature, parents can create and customize profiles for kids' accounts, hand-pick content for your kids, set educational goals, control screen time and ensure they are browsing safe websites. These security settings can be adjusted as your kids grow with content tailored to their age.

✓ **【Larger Storage and Long-Lasting Fun】** With 16GB of onboard storage and add up to 128GB with microSD helps Contixo V8 kids tablet stores tons of kid-appropriate cartoons, videos, educational games, eBooks, etc. The 3,200mAh battery allows for up to 10-hours of reading use on a single charge, making it convenient for long flights, camping, and road trips.

✓ **【Durable Protective Case and Screen Protector】** The specially designed environment-friendly case protects your kid's tablet against dust, bumps and minor drops. The 3-layer film LCD screen protector keeps the screen safe from scuffs and scratches. Do not worry your kids getting injury when they accidentally crack the screen. Backed by a 1 Year Manufacturer Defect Warranty with US based customer service.
