- [360° Rotating & Adjustable Base]: The base of the upper cup holder can rotate 360 degrees freely and can be moved from left to right. The position can be shifted and adjusted according to the space of the car body, which is the most comfortable place for you to reach your drink, and save car interior space.
- [Rationalize And Multifunctional Design]: This product adopts a two-in-one design, which can place both mobile phones and beverage bottles at the same time. This vented cup holder can firmly fix the beverage bottles. The double springs with non-slip base design can easily hold the mobile phone.
- [Several Types To Hangoff]: The delicate and cool appearance design must satisfy you. It's super easy to install and you can hang it in the center console, vehicle door and seat back, this trash has a beautiful outlook and makes your car elegant.
- [Easy To install]: According to your own car model, you can choose a pair of air outlet clips and install them on the main body. Use the air outlet clips to insert into the car air conditioner air outlet blades to complete the installation.
- [Gift]: This 2 in 1 car cup holder will save you countless times from jiggling between the seat and center console to find your dropped cell phone. Make your family and friends happy and safe during driving, perfect gift for the people that you care about.
