- **IDEAL BANDAGE FOR RECOVERY:** It is important to choose a high quality bandage that provides an equal combination of comfort and support during your road to physical recovery. Kupaky's Elastic Bandages offer professional medical grade care that you can depend on and use on many parts of the body. These bandages are efficient in emergency situations as they compress the affected area until you can get further care. For even higher value, these can be washed and re used without losing stretch.
- **GET CUSTOMIZED SUPPORT:** Designed to offer excellent and comfortable customized compression and support for injuries, the elastic bandage wraps are suitable to wear for extended periods of time and can be adjusted for a custom, secure fit to keep you moving. Provides firm support using a combination of premium materials to help prevent re-injury and ease symptoms associated with strains, sprains, arthritis and stress injuries. Administers stable pressure that will reduce and restrict swelling.
- **EASY TO USE + FLEXIBLE:** Each bandage can be stretched up to 15ft - This is long enough to wrap most wrists, ankles or knees. The bandage clips are the most effective way to secure it in place with the built in hook and loop system. Tighten or loosen the tension of the bandage as desired. No slipping, no irritation, and **LATEX FREE** durable materials that will give you the confidence you need. Keep one in your first aid kit, backpack, car, hiking pack, etc.
