Use and Care

Toilet Seat Size Guide

To ensure a proper fit, measure from the front of the toilet to the center of the mounting holes.

- Round** - 16.5" or 42 cm.
- Elongated** - 18.5" or 47cm.

Care for Your Seat

To keep your seat looking great for years to come, use a mild soap and water to clean.

Seat Not Staying Up?

Check the position of toilet tank and lid:

1. Confirm that the toilet tank and bowl are level. Adjust tank bolts as necessary.
2. Confirm that cover is properly placed on the tank and/or cover is set toward the back of the tank.

Product Description

This Mayfair plastic toilet seat features slow-close technology with the Whisper Close hinge that allows the lid to close slowly and quietly with no slamming or pinched fingers. With the innovative STA-TITE Seat Fastening System, the seat does not shift around and stays firmly attached to the toilet bowl. The non-tarnish brushed-nickel hinges are stylish and long-lasting. This seat is proudly made in Sheboygan Falls, Wisconsin, USA and fits all manufacturers' elongated bowls in the US and Canada. NOTE: Colors on a website or printed from a website can vary drastically from the actual color of the toilet seat due to monitor and printer settings. The colors on this page are for approximate visual use and should not be used to match colors exactly to a toilet bowl.
