Terrible Flavors

Reviewed in the United States on January 3, 2020

Flavor: Mixed Flavors Size: 5 Ounce (Pack of 12) **Verified Purchase**

Perhaps it was my fault for not reading through the 3 flavors of these gummies; but I can assure you they are horrid.

The fruit punch is the best of the three and is barely edible.

The mango flavor is putrid. And the watermelon is similarly bad.

When I saw these in store I knew I needed a bigger quantity and of course I found it on Amazon! I actually got them for my bf but I love snacking on them. With 20 packs, I have more than enough. Taste just like Arizona drink but I like the little gummies better.

I love arizona teas and fruit drinks for starters so this was a must have item for me. I would highly advise anyone who likes gummies to purchase these. The flavors are incredible and nothing tastes artificial. I'm very happy with my purchase and will be doing it again for sure!

The bags are huge and the flavors are way too sweet. It's almost sickening how sweet these are. Ate one bag and the rest are sitting on my shelves. It's too bad.

New favorite fruit snacks

Reviewed in the United States on January 26, 2020

Flavor: Mixed Flavors Size: 5 Ounce (Pack of 12) **Verified Purchase**

These fruit snacks made me feel like I was in middle school again when I'd drink Arizona everyday lol. The flavors are great and the bag is a pretty big size so I would say it is right in price. Also considering they don't sell it in stores, this is a great buy. Thank Amazon!!

Plenty of gummies...average flavor

Reviewed in the United States on December 1, 2020

Flavor: Mixed Flavors Size: 5 Ounce (Pack of 12) **Verified Purchase**

I feel like the number of bags for the price is fine considering the bags are kinda big. However, the flavor is kind of average. I was expecting the gummies to taste better or have more flavor, but these gummies tasted kind of bland. They obviously tasted like Arizona drinks, but it was kind of underwhelming. But it would not hurt to try these for yourself.
