Stand up paddle boarding is a fun activity you can do on oceans, lakes, rivers, and bays. It's a great full body core workout and way to experience the beauty of the outdoors. Best of all, it's perfect for people of all ages, body types and skill levels. There's even enough room to paddle with a dog, friend, child or significant other. Over the years, paddle boarding has continued to grow in popularity because it gives you the freedom to explore the beautiful waters the surround our planet.

Inflatable Stand Up Paddleboard, or iSUP, is a must-have equipment for adventuring this water sport, which is increasingly popular.

You could just inflate the iSUP in about 3 minutes by using a foot air pump, which is included in the package. Being inflatable, it is very easy to carry around. And a backpack makes it even more convenient to take it outdoors. It is perfect for beginners.

Parameters:

- Dimension: 10' x 30" x 6" (300cm x 76cm x 15cm)
- Item weight: 22lbs/10kg
- Max Capacity: 280lbs/128kg
