THE COSMETIC TOUCH - Dimmable touch screen LED lighted makeup mirror with lights that dim as you press and hold your finger on the touch sensitive button to help you get exactly the right amount of 'natural daylight replicating' light to touch-up your make up or apply fake lashes.

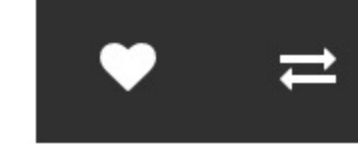

MIRROR, MIRROR ON THE WALL - Find your perfect viewing angle using the Lighted Makeup Mirror's 180° swivel rotation, making it easier to check your makeup or hair from any view! See the finer details using the Detachable 10X Magnifying Makeup Mirror featuring rear-mounted suction cups for your convenience.

HIGH DEFINITION CLARITY - Our makeup mirror with lights and magnification help you see every detail with the large 10.7" High Definition Mirror surrounded by 21 cool LED lights designed to mimic natural daylight which you can also easily dim to suit your preference.

PORTABILITY MADE EASY - Cordless, lightweight and AA battery powered (not included) makes this LED vanity mirror with lights perfect to carry with you to your lockers, dorms, friend's houses, theatre class, or any table you can turn into your makeup desk!

NO BLEMISHES - If you're not 100% satisfied with your Make Up Mirror With Lights, simply contact us for a full refund or replacement within 30 days of purchase. Every Lighted Makeup Mirror is also covered by our popular 12-month warranty.
