- **💡 【Classic Retro】** —The inspiration came from Thomas Edison's original filament light bulb. The retro design with squirrel cage filament emits light yellow shimmer, creating a retro and nostalgic atmosphere, adding warm colors and personality to retro, modern or industrial decoration.
- **💡 【Dimmable】** —The retro light bulbs is made of high-quality tungsten wire, which improves the service life. The 360° beam angle does not produce infrared radiation and protects the eyes. Dimmable mode, you can adjust the brightness of the bulb according to your mood, creating a romantic and warm atmosphere.
- **💡 【Vintage Decorative Light Bulbs】** —The retro light bulbs is highly decorative and fashionable, suitable for use with E27 socket switch or dimmer switch pendant lamp, light fixture, etc., used for home decoration or commercial decoration, for kitchen, living room, bedroom, bar, cafe, restaurant, etc. Unique and stylish decoration.
- **💡 【100% Satisfaction】** —We take your satisfaction very seriously. The unique packaging ensures that the bulb is well protected during transportation. If the bulb is damaged or there are any other problems, please feel free to contact us, we will give you a satisfactory answer.
