There is so much room! You can fit a laptop, water, a tripod, your camera & lenses, a change of clothes or shoes! I love the front pocket for the camera and lenses, so much more convenient than the shoulder bag I was carrying around.

Say YES to Brevite Jumper! Great everyday backpack that holds all the photo gear needed to take on the city, plus there is enough room for a jacket, water, and snacks.

Long search for a good cover. I had been looking for a good bag to replace my old one. Tried a bunch of bags and threw them away. It had been hard to find a functional one that can carry everything. Most importantly, allows for easy access to my gear. This bag is the

"The camera backpack I'm obsessed with after trying a ton."

TRAVEL+ LEISURE

"Simplistic design and bright color options, without sacrificing function."

thrillist

Better with Brevitē

As a brand, we have the power to shape our impact on the planet and our community. We're committed to making the world a better place.

By 2021, we've committed to incorporating recycled materials in all our products.

So far in 2020, we've donated over \$150k of backpacks to homeless in New York City.
