**MEDICAL WRITING & EDITING**

We are professionals in the art of medical writing, transcription, and content-development. Let our team of experts write and develop your medical content with medical accuracy, clinical relevance, and cultural sensitivity.

**GET STARTED**

**ADVANCED MEDICAL INTERPRETER TRAINING**

Online continuing education classes for Certified Medical Interpreters. Our Advanced Medical Interpreter Training course provides medical knowledge and clinical experience. Our upcoming course: Psychiatry and Mental Health.

**GET STARTED**

**Medical Accuracy**  
The correct medical concepts, the correct clinical questions, the correct diagnosis, done right!

**Patient Safety**  
We understand your patients health and wellbeing are at stake with each translation, so our high quality, rigorous, step by step process is here to ensure your patient's safety, always.

**HIPAA Compliance**  
We protect you and your patient's sensitive information by understanding and following the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

**Cultural Sensitivity**  
All our work has the correct cultural awareness and cross-cultural sensitivity to reach all your diverse patients.

**Linguistic Validation**  
The process of adapting your clinical trials by providing culturally sensitive and conceptually equivalent

**Medical Editing**  
All our work is clinically reviewed and medically edited for medical and clinical accuracy by our founder, Dr.
