Frequently Asked Questions

Can I cancel my account at anytime?

Yes, you can cancel your account and your account will expire at the end of the current billing period.

How do I cancel my account?

Please contact our customer support team and they will be happy to assist you. Your content will be retained for 30 additional days if you choose to reactivate your account.

Can I share content with others outside of the MyApps community?

Sure, most apps allow sharing your content with anyone with an email address outside the MyApps Community.

Why are some of the features shown not in the current offers?

Our platform is still growing and those apps are just not ready. However, whenever they are, we will let you know and they will be added to your account based on your plan for no additional charge.
